# Security Today 2023 New Product of the Year Award Winners Announced

Security Today magazine, the leading industry media brand providing technology, education and solutions for security professionals, and securitytoday.com, the preeminent editorial website for the security industry, have announced the winners of the Security Today 2023 New Product of the Year Award.

The Security Today New Product of the Year Award honors the outstanding product development achievements of security equipment manufacturers whose products are considered to be particularly noteworthy in their ability to improve security. In the 15th successful year of the independently juried contest, winners were honored in 43 product award categories.
